

CARDBOARD DONUT RING TOSS

What you need:

- Cardboard
- Textas
- Scissors
- Empty paper roll
- Paper
- Glue / Tape

What to do:

- Draw 6 large circles on cardboard and cut them out.
- Draw smaller circles in the middle of 5 of those circles, to make donut shapes. Carefully cut them out. ***Making sure the smaller circles are larger than the paper roll. Trace the tube if needed.**
- Using the textas, colour and draw donut icing designs on the 5 rings.
- Draw designs on the empty paper roll.
- Stick the paper roll down on the 6th uncut circle.
- Place the paper roll tower away from you. Standing a few metres away, toss your donuts rings trying to get them on the paper roll tower.
