

Preschool Field Officer Service (PSFO)

The PSFO Service helps teachers meet the needs of all children at Kindergarten

This may include children with a diagnosed disability or disorder, or challenges with:

- Communication and language skills
- Social and emotional skills
- Motor skills
- Behaviour
- Cognitive and thinking skills
- Trauma

It is **FREE** and available to 3 and 4 Year Old Kindergarten Teachers and Educators working in state funded Kindergarten programs

What can we help your child's teacher with?

- We build teachers' knowledge and skills to provide an inclusive Kindergarten program
- We develop and model strategies to support your child in the Kindergarten program
- We help with referrals to other support services if required
- And much more
