

Paper Ghost

What you need:

- Paper plate
- Paper strips to make paper chain (I used cut up newspaper)
- Black texta
- Glue/sticky tape

What to do

1. Draw a spooky ghost face on the paper plate.
2. Use the paper strips to make paper chain. Stick these onto the bottom of the plate.
3. You can stick the ghost up on the wall or hang it up so it looks like it is floating.

Show us what you have made on the [Kids Creations Gallery](#).
