

Paper Plate Spider

What you need:

- Paper plate
- Pipe-cleaners
- Glue/sticky tape
- Pencils/textas

What to do:

1. Draw the spider's details (eyes and fangs) on the paper plate then colour it in. How scary can you make the spider?
2. Stick 8 pipe-cleaners onto the back of the plate. These are the spider's legs. Bend them into shape.
3. You can make a few spiders to decorate for Halloween!
