E-Tendering Forum - Code of Conduct

The following is the Code of Conduct (COC) for this forum. It is important that members are aware that this Code of Conduct exists. Please also note that we reserve the right to update and modify this CoC - without notice - at the discretion of administrative staff.

This forum is provided to you as part of your registration as a supplier or purchaser and is merely a question and answer facility to enable purchasers to respond to suppliers requests for clarification on tenders published in the system, or for suppliers to communicate with each other.

THIS FORUM IS NOT MODERATED and therefore we ask that you use the forum for its intended purpose. It is a business forum and should be used in accordance with normal business-to-business etiquette.

Please do not:

1. Identify your personal name or business name in this forum
2. Use profanity or inappropriate language
3. Post illegal material
4. Make posts that seek to offend directly or purposefully disrespect individual members of this community, especially through flaming, baiting, or personal abuse.
5. SPAM: which in this instance is defined as members seen to primarily serve the purpose of promoting specific services, products, or websites, either their own, or of another party. NOTE: Suggesting suppliers or products is acceptable provided that it is specific to the tender in which the forum posts apply. Continual posting of website or email addresses or reference to products and services through generic posting IS NOT acceptable.
6. Make posts which seek to attack the legal rights of any individual member, such as but not limited to defamation, harassment, and/or the issuing of threats

IMPORTANT
 Continual abuse of the forum may result in your subscription or membership being withdrawn.
