

# Paper Dinosaur Peg Puppets

Make a dinosaur puppet out of paper and a peg. Open and close the dinosaur's mouth by squeezing the arms of the peg.

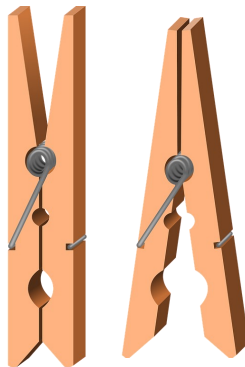

You will need:

Clothes pegs

Dinosaur print out or draw your own design

Scissors

Glue or sticky tape

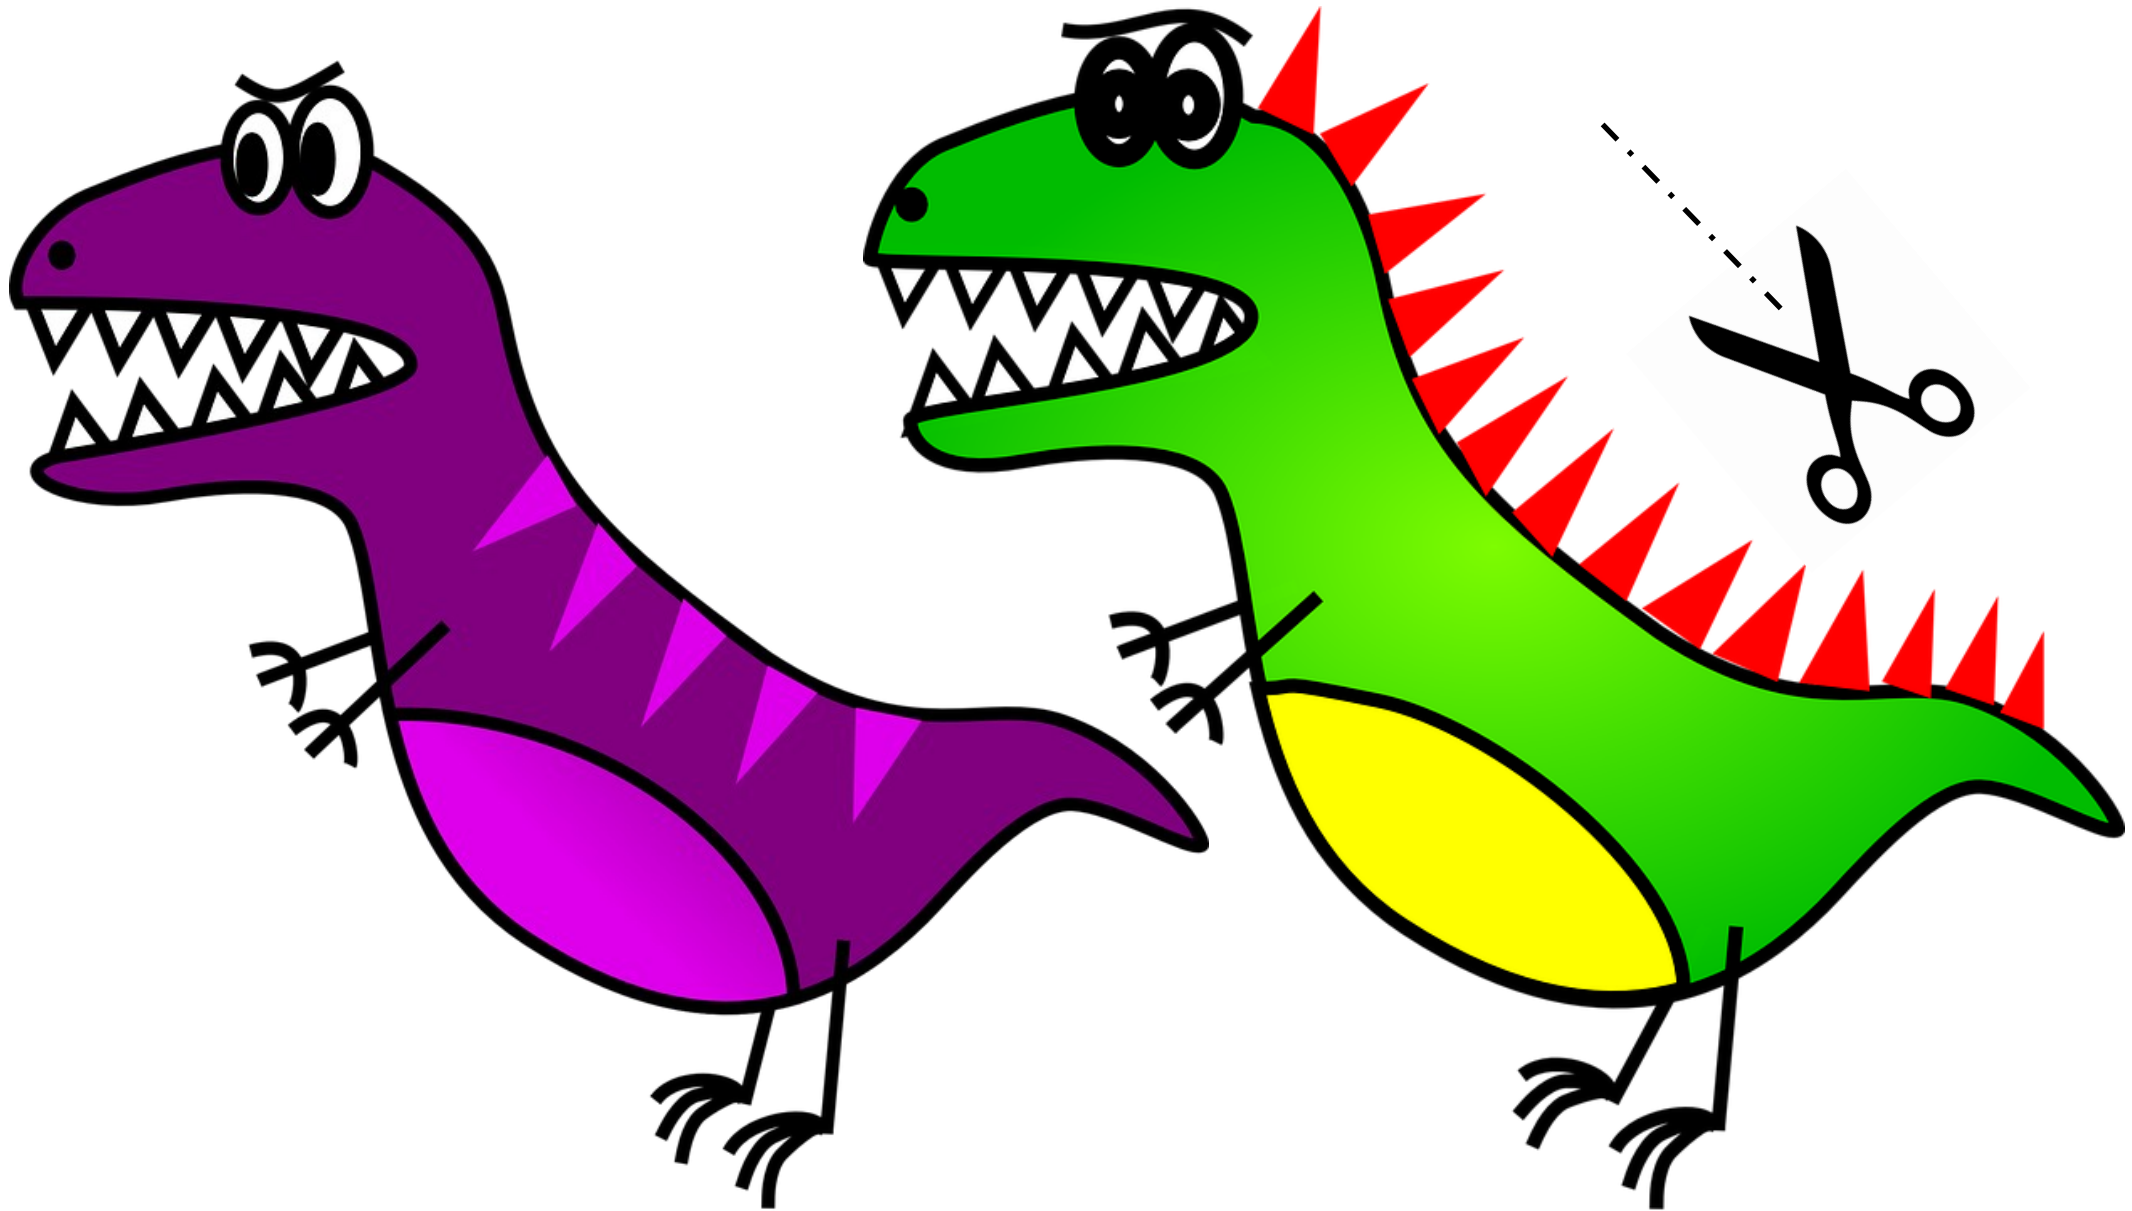

## Instructions:

- Cut around the dinosaur shape.
- Cut through the dinosaur mouth and back of head.
- Glue or sticky tape the top of the dino head to the peg.
- Glue or sticky tape the rest of the dinosaur to the peg.
- Squeeze the peg to make the dino mouth open and close.

Print and cut around dinosaur shape. Or draw your own design.
