

# DRAW SCARY FACES

What scares you?

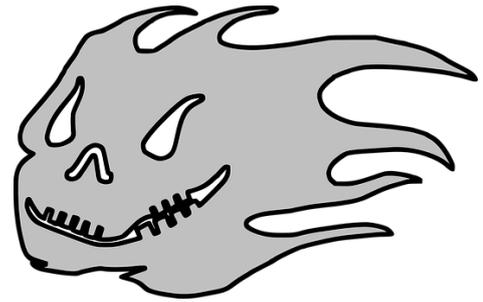

Try drawing a face that you think looks scary.

It can be a cartoon, it can be realistic, it can be black and white, or it can be in colour.

Think about what makes a face scary. Is it the shape of the eyes? Is it the shape of the mouth or the type of teeth in the mouth?

Is the expression menacing, sinister, violent or evil?

Check out the ideas on the next page.

You can also print and colour the scary faces on the next page, or simply draw your own and then colour them in.

If you would like to share your creation, you can upload a photo at:
