

THE FORCE IS STRONG WITH THIS TEACHER

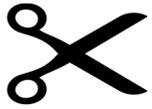

A thank-you card activity that is out of this galaxy!

Make a Star Wars themed card to thank your teacher for being awesome.

Print the design on the next page. Or draw and design your own card.

Cut out, fold in half and write a message on the inside of the card. Give the card to your teacher or to someone special at your school.

Fold card in half, down the centre line.

MADE BY ME

**THE FORCE IS
STRONG
WITH THIS
TEACHER**
